The Board of School Trustees recognizes that members of the community have expressed intention for attending the January 25th board meeting.

Due to the pandemic, seating remains limited in the boardroom. Overflow seating will be made available at the Jimtown High School auditorium and closed circuit access to the meeting will be made available there.

Consistent with every board meeting, time will be made available for public comment. These comments will be limited to two minutes. Individuals must sign up for public comment prior to the start of the meeting. The sign up sheet will be accessible beginning 30 minutes prior to the meeting at both locations and delivered to the board president at 7:00pm.
